Binary™ USB 3.0 A-Female to A-Female Keystone Pigtail

For use with keystone panels and wall plates, this A Female to A Female USB 3.0 keystone pigtail is the perfect solution for keeping USB installations neat, while having a simple, clean look.

Need for Speed

USB 3.0 means speedy transfer rates up to 4.8 Gbps—strong support for the latest and greatest USB devices.

Strength of Shielded

The aluminum-shielding layer combines with a braided shielding so that signal quality isn't compromised by EMI.
