Range Extender

Quick Start Guide

In-app Setup

1. Make sure your Ring Alarm is disarmed.
2. In the Ring app, tap **Set Up a Device** and find the **Range Extender** in the **Security Devices** menu.
3. Follow the in-app instructions to complete setup.

Installation

1. Make sure the Range Extender is plugged into an outlet at all times.
2. Choose an outlet between your Base Station and some of the devices farthest from your Base Station.
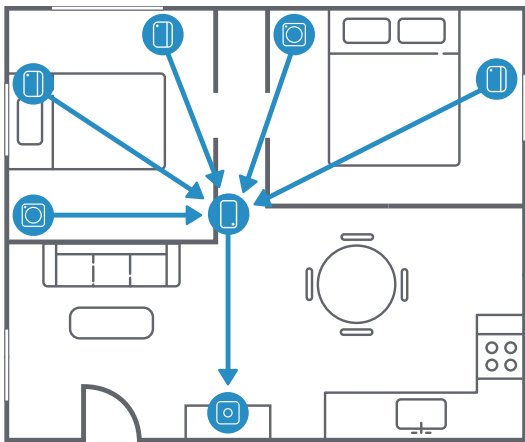

You can move the Range Extender to another outlet as needed to expand the range of your Z-Wave network.
