Nest Doorbell Battery Dummy

2x Winged Nuts

Installing Nest Doorbell Battery

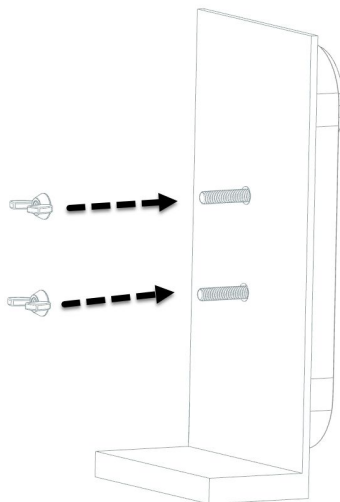

Step 1

Step 1

Remove the 2x winged nuts that are pre-attached to the threaded stems on the back of Nest Doorbell and set aside for use in step 2.

With the camera on top and the G logo upright, push the doorbell through the corresponding holes in the fixture.

Step 2

Step 2

On the other side of the fixture, thread the winged nuts back onto the stems to secure Nest Doorbell Battery in place.
