550 Series Soundbar

Great sound never looked so good. The Episode® 550 Series Passive Soundbar is made with premium components and designed to fit alongside flat-panel TVs for a modern look!

Modern Aesthetics

A brushed aluminum finish and black baffle make this soundbar a statement piece in any space. Plus, it's modern look blends seamlessly with today's most popular televisions.

Premium Sound

This soundbar features silk dome tweeters and polypropylene injection woofers to give you exceptional sound every time.

Low-Profile Look

Flat-panel TVs should have a soundbar to match. At under three inches in depth, Episode aluminum cabinets are both strong and thin.
