

## RA2 Select works with the Google Assistant

Control the lights with just your voice via any Google Assistant enabled device.

Pico scene keypad

Maestro dimmer

Pixel Phone

Google Home

# Getting started is easy

## Step 1

Install your RA2 Select system, connect it to your Wi-Fi router, and download the Lutron App.

## Step 2

Setup your Google Assistant enabled device, download the Google Home app, and connect it to your Wi-Fi network.

## Step 3

Enable the “Lutron Caséta and RA2 Select” service in the Google Home app to sync your devices with the Google Assistant.
